2. The summer break may be reduced to make up for lost time.
- 3.

Parents/guardians will be given timely notification if these contingency arrangements need to be implemented.

Please Note: Parents/guardians are actively discouraged from taking holidays outside the above schedule. The school is obliged, by law, to inform the National Educational Welfare Board when a pupil is absent for a total of 20 school days in one school year, or where there is concern about a pupil's attendance. There is a direct link between school attendance and pupil progress. Your co-operation with maintaining high attendance and punctuality is greatly appreciated. We look forward to another great year together.
